

MEMBER BENEFITS

- LCA holds seminars and workshops throughout the year to provide continuing education to architects, engineers, contractors, and state and local governments on the latest technologies, techniques and materials in the concrete industry.
- LCA provides seminars for our members and their employees on a variety of topics (ie. Safety, QC, etc).
- LCA works with local builder organizations and developer oriented organizations with the expectation of increasing market share for the concrete industry.
- LCA works with member companies and contracting agencies (such as LADOTD and local government) to assist in resolving field construction or materials issues in the concrete and aggregate fields.
- LCA participates in the research arena with the Louisiana Transportation Research Center to facilitate field trials which can influence specifications and product use.
- LCA is active in the legislative process with its lobbyist and Governmental Affairs Committee staying informed of the issues concerning our industry. Our members and staff join together for representation of your interests at the state, local, and national levels.
- LCA is governed by a Board of Directors that meets four times a year. These meetings are open to the membership. LCA also holds an annual membership meeting.
- LCA hosts quarterly meetings of the Technical Committee that includes collaboration with LADOTD construction, research and materials staff to discuss industry issues and concerns.
- LCA holds District membership meetings in each region at least once a year to discuss their regional issues and concerns.
- LCA holds an annual Summer Convention on the Gulf Coast usually in the second week of June. This is a family oriented event and a good time for our members to get together and network in a relaxed atmosphere.
- LCA hosts several networking events throughout the year including a Sporting Clay Tournament, Golf Tournament, annual Christmas Luncheon and other social events. These are great opportunities to gather with your friends and colleagues and meet new business associates.

If you need additional information on any of our benefits, please do not hesitate to contact us.
